

April 9, 2021

Good afternoon Princess Elizabeth families,

I hope that everyone takes the next week to relax and recharge with their family at home. It will be a bit of a different "March Break" in April, but I hope that our entire Princess Elizabeth family remains safe and healthy. I cannot thank you enough for your diligence and screening each and every day to ensure every child at school is healthy! I know this has been a year like no other, but we are appreciative of the support we have from all of you!

### **STUDENT SURVEY CENSUS**

Please don't forget for any parents/guardians of K-6 students, to complete our student census survey. This is 100 percent voluntary. Collecting information through this survey will help us to identify, eliminate, and respond to systemic barriers to student success, create more equitable and inclusive school environments, and, further support student achievement and well-being in targeted and intentional ways.

The link to complete it is here:

### **FLIP GIVE**

We have also kicked off FLIP GIVE. We already have numerous families that have signed up and in only one week have raised \$50.00. Given that non-essential items are now no longer available to purchase in store and online shopping is becoming more and more popular, this is a great reason to sign up. I recently purchased an e-gift card to No Frills before I went to do my usual grocery shop and used that to pay. No extra money out of pocket and money back to the school. Also, if you are like me and looking for things for your own children to do over the break you can buy gift cards or order directly from numerous stores for things to entertain them. (Craft supplies were high on my list to keep my own children occupied next week) Click on the link below for more information and the details of how to sign up:

## **MASKS**

As you pick up children at the end of the day or drop off in the morning please try your very best to socially distance and wear a mask if entering the playground. This just serves as a great example to our students. Thanks for your understanding.

## **Character Trait April - Courage - SEND IN YOUR TALENTS!! PE's GOT TALENT!**

Our character trait for April is Courage. Since it takes a lot of courage to share talents we wanted to have the opportunity to have a virtual talent show. Mr. Hannigan had collected some submissions in December, but we wanted to try again for the month of April so we can create a virtual talent show to share. So students, tape yourself (2 minutes or less) doing something you have the courage to share. For example, a dance, a song, playing an instrument, a magic trick, a funny joke etc. Send the video to Mrs. Sinnett - [jaime.sinnett@dsbn.org](mailto:jaime.sinnett@dsbn.org). We will compile them to share at the end of the month. All submissions are due by **Friday, April 23, 2021**.

## **IMPORTANT UPCOMING EVENTS:**

**April 12 - 16** - April Break No School

**April 28** - National Superhero Day - Dress Like your Favourite Superhero

Sincerely,

Mrs. Sinnett - Principal and Mrs. Falardeau - Vice - Principal
