# REGISTRATION

Although formal registration for SK students into French Immersion for Grade 1 has closed we are still able to accept enrollment. If this is something you are considering for Grade 1 entry next year please email the office.

# COMPUTERS TO BE RETURNED:

- If you were loaned a device to use during our shutdown and still have it at home, please send them in with your child as soon as you can. We depend greatly upon these devices to be used for class instruction. Thanks.

# COLD WEATHER

- Just a reminder that students do spend a portion of the day outside. It is important that they are dressed appropriately as they are not kept inside. Please make sure they have hats, mittens, boots and snow pants so they can enjoy our lovely Canadian winters. Only under extreme weather advisories do they stay in. Please

also consider sending an extra mask as they can easily get wet since they now wear them outside if they cannot physically distance themselves. Please also try to send in extra masks if you are able to with students. Often they can get quite wet from playing outside. We always have extra here as well.

## February Kindness/Caring Challenge

Thanks for all our amazing students that participated in our kindness challenge. We had over 50 entries and had a draw for 3 lucky students who will get a skip the dishes lunch!! Stay tuned for some March fun!!
