COMPUTERS TO BE RETURNED:

- If you were loaned a device to use during our shutdown and still have it at home, please send it in with your child as soon as you can. We depend greatly upon these devices to be used for class instruction. Thanks.

Kiss and Ride

- Thank you to all the parents/guardians who took the time to read the memo regarding kiss and ride. In a couple of days we have noticed a tremendous difference. Thanks for being patient with the changes.
- Here is the memo in case you missed the updated procedures:

MASKS

- If you are coming onto the property at the end of the day, to get a primary aged child, we strongly encourage you to wear a mask. Students are required to wear masks outside on school property so it helps to set a great example for them. Thanks in advance for your cooperation.

UPDATED PUBLIC HEALTH MEMO

- This was sent out previously, but we wanted to share again. Please click on the link for new rules pertaining to public health.

PIC COMMITTEE UPCOMING EVENT - FOR PARENTS/GUARDIANS OF GRADE 6-8 STUDENTS

The Parent Involvement Committee (PIC) is excited for March. The committee has a packed month, with 3 different presentations to look forward to in the PIC Virtual Speaker Series.

PIC kicks off March with Natasha Parent, a doctorate researcher from University of British Columbia, on Wednesday, March 10th at 6:30p.m. Natasha will explore how COVID-19 has impacted teens' mental health, while highlighting the role of technology use and screen time in fostering their feelings of connection to others. Applying a developmental framework, we will discuss how using technology can help teens meet their social goals and contribute to their overall wellbeing, while also touching on how to identify those who may be at risk. In addition, this webinar will feature some useful tips on how to help teens navigate their screen time and discuss some of the cutting-edge work that's currently being done in the field.

Please go to <https://www.dsbn.org/pic/speakerseries.html> to register for this informative webinar.

Stay tuned for upcoming presentations later in March!

Sincerely,

Mrs. Sinnett - Principal and Mrs. Falardeau - Vice - Principal
