Good afternoon Princess Elizabeth families,

I continue to be amazed by the hard work and perseverance of our PE students. I check in to classrooms virtually and am so happy to see so many faces online and participating. However, I would be amis if I didn't take a moment to thank all of you at home helping. I know this is not easy and that many of you work outside the home, work from home and/or have little ones at home to take care of. I think you all need to take a moment to give yourselves a pat on the back!!! We appreciate your support and know it can be stressful in households. Please recognize we understand everyone's home situation is different. You need to do what works best for your family without judgement. We are only here to support and can offer solutions if you need some help. Please reach out!!! Just know we will all be here, in person, for when we can come back and will ensure we have a safe building where we can get everyone re-engaged! This is temporary and the key is for us all to continue to work together.

Given the latest Government update Niagara was not on the list of school boards to return to in person learning. We are hopeful we will return soon! Everyone continue to stay home and stay safe so we can be back at school as soon as we can!

JOB OPPORTUNITY

We are looking to hire a supply lunchroom monitor for when we are back in person. You would be on call and get phone calls in the morning or in advance to cover shifts for us. Duties include monitoring students while eating and monitoring them outside while on break etc. You would need to be okay with being outside and will need a police check. There is a possibility for further hours. Right now shifts range from 1 hour - 3 hours. If interested, reach out to me at jaime.sinnett@dsbn.org. Alternatively if you know someone that would love to please share as well.

As always we are always here to support. We are working from home but do check phone messages throughout the day. If you are in need of anything or need to reach out, email is the best way to reach us.

Feel free to email us at:

jaime.sinnett@dsbn.org or becki.falardeau@dsbn.org

Sincerely,

Mrs. Sinnett - Principal and Mrs. Falardeau - Vice - Principal
