

Below is a petition started by some of our parents. This was brought to our School Advisory Council meeting on September 29th and is fully supported by this group.

Please consider completing the information below and returning it to school by October 17th, 2011.

PETITION

for a traffic light and/or police presence at the Lincoln St. / Princess Elizabeth School crossing

We the undersigned, would like to request that a stoplight be installed at the crosswalk on Lincoln St. by Princess Elizabeth School or have a police presence every day.

Last year and this year, already, there have been some close calls regarding our children almost getting hit by cars, even with the crossing guard doing her job. None of us want to see our children harmed (or worse) by an inattentive or uncaring driver.

We should not have to worry about the safety of our children right outside the school and our children shouldn't suffer from actually getting hit or even suffer nightmares from a close call.

Please feel free to describe any concerns or experiences regarding the crosswalk at Lincoln & Scholfield (use additional paper if necessary):

Please return by October 17th, 2011
