Parking on Scholfield

Please remember there is absolutely **no parking** on Scholfield ave on the side there are houses directly out front of the school. There are many no parking signs and this prevents our buses from being able to make safe turns. We do not want any parents to get tickets from the bylaw officers. Also, please also do not park right up against the entrance and exit to the bus lanes as they have to make wide turns to get in. We appreciate your help with this matter as we do not want any cars to get hit.

CANDY O GRAMS

The intermediate division will be selling Valentine's Day Candy Grams next week for \$1.00 to support and fundraise for our year end trip to Ottawa. Sales will take place from Monday, February 6th to Thursday, February 9th. Students can purchase a candy gram for themselves or surprise a friend on Valentine's day with a sweet surprise. Homeroom teachers will be taking orders for their class. The candy grams will be distributed Tuesday,

February 14th. Don't forget to bring your loonies to school next week and make a friend smile.
