

June 24, 2022

It is hard to believe that we are entering our last week of school!! It has been quite the year and we are so very grateful to have been able to share it with our amazing PE community. We will be sending out a "Welcome Summer and Back to School update" on Tuesday that will include updates on staffing and what to expect in September as we are still finalizing staffing placements.

The entire Princess Elizabeth staff wants to send a huge congratulations to our Graduating class of 2022 who had their graduation this week. We wish them the best of luck as they embark on high school and know they will all achieve amazing things.

## **What's Happening this week:**

**June 28th - Student of the Month/Year End Assembly - 9:20 KDG and Primary, 10:10 Jr/Intermediate**

**June 29th - Last Day of School**

### **DSBN art showcase:**

The 2022 DSBN Elementary Virtual Art Show is now live. Click on the link below to see some of our students work:

### **SUMMER GOOSECHASE CHALLENGE**

Summer Break is almost here but that doesn't mean the fun has to stop. We have created another GooseChase for our PE families to do over this summer break. This time we have over 50 different tasks and adventures for you and your family to join in on! Once again we are happy to provide prizes to our top 3 winning teams/families.

What is a GooseChase???

Each GooseChase game is a collection of missions for participants to complete and earn points with their team/family. An example of a mission might be "to find a geocache and post a photo of your find" for 50 points or "post a photo of you doing a chore" for 30 points.

Mission types include photos, videos and GPS check-ins to provide proof you did each mission. You do not need to do them all, but the more you do the more points you get! Be sure to read each mission carefully as some of them could score you EXTRA POINTS!!!! We will also have two "wild card" adventures that will not be revealed until later in the summer so be sure to watch out for them!

To access this challenge it will require you to download the Goosechase app on your device and have a specific game code and password. This opportunity is limited to our PE families only and is not open to the general public. Our challenge is called the "Princess Elizabeth Summer Fun Adventures".

If your family/team would like to participate in this community engagement event over Summer Break then make sure to download the "GooseChase" app to pre-register. We only have 200 spots available so it will be on a first-come basis. Only register one account per family so we can have as many families participate as possible. We will have some prizes for the top 3 point-earning teams that will encourage some family fun! You can pre-register now, but the event and missions will not be revealed until Saturday, July 3rd and will run until Saturday September 3rd.

We will reveal the winners once we return back to school in September.

The information you will need is:

## Download the Goosechase App

Game Code: 5WGMX5

Game password: PEHunt

*\*\*\*Please note, that as you participate and photos are required which may be shared within our group, pictures can be of individuals not including faces if you are more comfortable with that option.*

Happy Summer Fun. We look forward to seeing all of your wonderful adventures!

## GET CAUGHT DOING WHAT'S RIGHT

We have started handing out tickets to students when they get caught doing something amazing! We collect them all week and do 5 draws each Friday. Congrats to our first winners!!!  
We hope everyone has a fantastic weekend!!

Shout out to our amazing morning announcers!!

M. Oblinsky

T. Rockefeller

K. Kenny

*Congratulations!*

Feel free to reach out with questions.

Mrs. Sinnett and Mrs. Falardeau
